PK News Continues Green News

The response to our new electronic Newsletter has been tremendous. Each group or recipient of our E-News saves one piece of paper, ink, and one regular postage stamp. In addition, anyone can forward the E-News and the calendar for the next two months without any cost. Besides saving money, we are hoping to expand our communication. At the same time we are saving valuable donated dollars, volunteer time and a bit of our precious environment. If you would like to receive The PK E-News contact Mary Parker at mparker@pacbell.net.

Future Homeless Campus

The Homeless Campus for San Luis Obispo currently in its planning stages will be a partnership with People's Kitchen. People's Kitchen is working with development of the new campus and everyone involved is clear that our People's Kitchen mission will stay the same. That mission is to feed the hungry a hot meal every day of the year.
